Apart from this fair, the platform “PTFE” holds its annual assembly in which many of the most relevant national R&amp;D projects are presented. Likewise, the “PTFE” holds a series of thematic events throughout the year in which entities can present their most relevant projects.</p> <p>The news, both strategic and specific (of projects, for example) is reflected on the PTFE website and in the weekly newsletter that is sent to the 500 entities that are part of the platform. Likewise, the PTFE, through its own social networks and the FFe, disseminates the most relevant developments in railway R&amp;D.</p>
