## ANNEX 1 – MEMBER’S IN-KIND CONTRIBUTION TO EUROPE’S RAIL JOINT UNDERTAKING<sup>1</sup>

1. Overview of the candidate Member's indicative overall in-kind contribution<sup>2</sup> to the Europe’s Rail Joint Undertaking:

Total in kind contributions <sup>3</sup> (EUR) (sum of IKOP and IKAA)	Total IKOP <sup>4</sup> (EUR)	Total IKAA <sup>5</sup> (EUR)

2. As detailed in the Application Form attached hereto as Annex 2.

<sup>1</sup> Only the main corporate entity may be listed, without the breakdown of affiliated entities; however, the estimate must take into account the contribution of the affiliated entities expected to contribute to the programme.

<sup>2</sup> The types of in-kind contributions (IKOP and IKAA) are laid down by Article 2 (Definitions), Article 11 (Contributions from Members other than the Union and contributing partners) and Article 90 (Scope of additional activities) of the SBA Regulation.

<sup>3</sup> The candidate Member's indicative overall in-kind contribution to the Europe’s Rail’s Joint Undertaking.

<sup>4</sup> Pursuant to Article 2(8) of the SBA, in-kind contributions to operational activities’ means contributions by private members, constituent entities, or the affiliated entities of either, by international organisations and by contributing partners, consisting of the eligible costs incurred by them in implementing indirect actions less the contribution of that Joint Undertaking and of the participating states of that joint undertaking to those costs. Estimate to be based on the applicable Horizon Europe funding rates for Innovation Actions, i.e., 70% direct costs + 25% indirect costs, and 100% direct costs + 25% indirect costs for non-profit entities. To consider that Members are expected to significantly contribute to Flagship Project, where the funding rate is reduced in accordance with the SBA, and the last call for Flagship Project entailed a funding rate of 60% at project level.

<sup>5</sup> Pursuant to Article 2(10) of the SBA in-kind contributions to additional activities’ means contributions by the private members, constituent entities, or the affiliated entities of either, and by international organisations, consisting of the costs incurred by them in implementing additional activities less any contribution to those costs from the Union and from the participating states of that joint undertaking.
